#1 New York Times bestselling author
#1 Globe & Mail (Canada) bestselling author

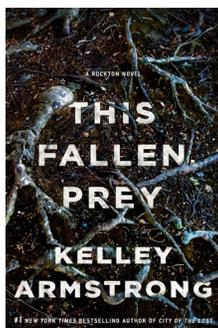

USA Today bestselling author
Sunday Times (UK) bestselling author

Kelley Armstrong has been telling stories since before she could write. Her earliest written efforts were disastrous. If asked for a story about girls and dolls, hers would invariably feature undead girls and evil dolls, much to her teachers' dismay. Today, she continues to spin tales of ghosts and demons and werewolves, while safely locked away in her basement writing dungeon. She lives in southwestern Ontario with her husband, kids and far too many pets.

This Fallen Prey Rockton book 3

When homicide detective Casey Duncan first moved to the secret town of Rockton, she expected a safe haven for people like her. What she didn't expect is that Rockton comes with its own set of secrets and dangers.

Missing Standalone YA Thriller

Winter Crane has exactly one thing to look forward to in Reeve's End: leaving it. Most kids do, and she's never thought anything about that... unless she finds a boy—a stranger—left for dead in the forest.
